COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the Office Action, dated 06/08/2004, for which a response is due 09/08/2004, Applicants submit the present reply.

Claims 7-9, 28-30, 39, 49-51, 58, 59, 61, 62, 64, and 65 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over the claims of parent U.S. Patent 6,727,255. Claims 20, 21, 36, and 57 are objected to as being dependent on a rejected base claim.

As the Examiner has noted, Applicants have previously submitted a terminal disclaimer limiting the term of this application to that of U.S. 5,530,009. In the interest of advancing prosecution in this case, Applicants submit herewith a terminal disclaimer limiting the term of this application to that of U.S. Patent 6,727,255.

Serial No. 10/668,565

Thus, Applicants respectfully request that the Examiner reconsider the rejection and earnestly solicit allowance of pending claims 7-9, 20, 21, 28-30, 36, 39, 49-51, 57-59, 61, 62, 64, and 65.

Applicants respectfully assert that this reply is being timely filed. However, in the event that any additional fees are due, Applicants request the Office to charge any additional fees that may be required by this or any other related paper, or credit any overpayment to Deposit Account No. 05-0840, in the name of Eli Lilly and Company.

Respectfully submitted,
